To Become a Member

The “C” Club is committed to Cheyney University’s 12 varsity sports and the cheerleading squad and serves as the booster club to enhance school spirit, increase attendance at sporting events, raise money for the department and build overall enthusiasm for the University. Through con-

tributions to the annual athletic fund, donors are enrolled as members of the “C” Club, a status that entitles them to receive membership benefits corresponding to their donation level. “C” Club members are alumni, former student athletes, parents, fans and community supporters who believe that a strong intercollegiate athletic program can enhance character and University spirit, as well as increase Cheyney’s national visibility. Members have contributed steadily in support of the University since the “C” Club was founded. This giving reflects a tremendous dedication to the success of the student athletes who wear the Blue and White.
